

Nacho Music Society Visitors Policy

Nov.28, 2022

Guests:

Approval of a guest's visit must be arranged by contacting the executive before the session in question. This can be done by sending an email to info@nachomusicsociety.ca. This will ensure that the guest can be properly greeted and introduced to the music director or specific musicians. By arranging a visit in advance it also prevents an excess of guests at a given session.

There are several reasons a guest may want to attend a NACHO session:

Potential Members: If a musician is interested in joining NACHO they may obtain approval to attend a specific session. Typically, they will be greeted by one of the executive and introduced to the Music Director or to musicians that play the same instrument.

Musicians from Other Groups: We have welcomed New Horizons musicians visiting from other cities to attend a NACHO session and potentially play with the orchestra. This is standard practice for New Horizons orchestras and members.

Music Instructors: music directors, music teachers and others engaged in performance and working with amateur musicians may be interested in our group for diverse reasons. We welcome sharing with and learning from them.

Photography/Videos

Guests may not take photographs or videos of the sessions, since this would require the members' knowledge and permission, which cannot be assumed.
